## Responsibility of Applicant

It is the responsibility of the applicant to assure that all questions in the application and all required supplementary data are submitted at the time of the filing of the application and that all answers, plans and supplementary data are accurate and complete. All required plans, supplementary data, mailing labels and fees must be submitted at the same time as the application is filed, or the application will be incomplete. Incomplete applications will not be scheduled for public hearing and will be returned to the applicant. The filing of an incomplete application will not reserve a place on the hearing agenda. An application submitted prior to the deadline does not automatically insure placement of the application on that hearing agenda. All data submitted in connection with the application becomes a permanent part of the public records of the City of Sweetwater.

**NOTE: List all plat restrictions zoning conditions or any other declaration, restriction, condition etc. that might affect this application.**

I HEREBY CERTIFY that I am the owner of the parcel(s) described above and that the information contained in this application is true and correct to the best of my knowledge and belief. Attached is a copy of the recorded deed showing my acquisition of this land. In addition, I agree to furnish additional items as may be necessary such as abstract or opinion of title to determine accurate ownership information. Furthermore, I am aware that the use of a public water supply and/or public sewer system may be required for this development. If so required, I recognize that engineering drawings for the extension of these utilities must be approved by the appropriate utility entity and by D.E.R.M. prior to the approval of the final plat. Pursuant to Florida Statutes 837.06, whoever knowingly makes a false statement in writing with the intent to mislead a public servant in the performance of his or her duty shall be guilty of a misdemeanor of the second degree, punishable as provided in FS. 775.082 or FS. 775.083.

## Procedure for Platting or Replatting:

1. Two (2) copies of the Waiver of Plat or Tentative Plat are submitted to the Public Works Department
2. City determines if the Waiver of Plat or Tentative Plat meets the requirements of the City Code.
3. Upon administrative approval by the Public works Department, the applicant submits the Waiver of Plat or Tentative Plat to Miami-Dade County along with the City's staff report confirming approval.
4. Upon approval by Miami-Dade County, the applicant prepares the Final Plat and submits eight (8) copies to the Public Works Department. The Final Plat appears before the City Commission for approval.
5. The City Commission, if approving the waiver of Plat or Final Plat, passes a resolution.
6. The waiver of Plat Final Plat is submitted to Miami- Dade County along with the City's resolution, for final approval and recording.

## Submittal Checklist:

When subdividing a property into no more than six (6) sites, the property owner shall submit a Waiver of Plat application to the Public Works Department for an administrative approval.

1. ALL APPLICATIONS MUST BE ACCOMPANIED BY A LETTER OF INTENT. Please describe in detail, whether and to what extent the requested development action serves a public benefit which would warrant the granting of the request and specific justification for approval of the application, nature of the requests and any other pertinent information. Insufficient justification may result in the denial of your application.
2. **Two (2) executed original applications for administrative approval for Waiver of Plat and/or Tentative Plat.**
3. One copy of the recorded Warranty Deed as proof of ownership.
4. An original Opinion of Title in the Miami-Dade County Opinion of Title form. If the property owner is an LLC, LLLP, LP, LTD, or any other limited organization, it shall show who is authorized to sign on behalf of said organization.
5. Existing Liens and/ or Violations imposed by the State, County and/or the municipality on properties within the municipality must be resolved prior to Plat Committee recommendation for approval.
6. Lot/Parcel Analysis required, including, but not limited to, the following information relative to lots and parcels in each zoning district: number of lots, smallest lot size, average lot size, number of parcels, acreage in each parcel.

7. Letters from all utilities franchised to operate in the City (Florida Power and Light, Southern Bell, WASA, Cable) relative to adequacy of proposed easements shown in the plat/site plan, including approval of shared easements.

9. Mortgage Joinder (if applicable)

Updated Opinions of Title will be required with the initial Waiver of Plat submittal; before the Plat Committee's recommendation for approval (if the 30 day period of validity has expired); and prior to the recordation of the Waiver of Plat Resolution package.

10. **Eight(8) copies (folded) and one electronic copy** of a registered, current (within 30 days), signed and sealed survey prepared by a professional survey or/mapper of subject property, based upon the Opinion of Title. Surveys must delineate existing natural features, easements, existing structures and uses, and existing utility lines.

Shall be a "Boundary and Topographic Survey" signed and sealed by an active State of Florida registered Professional Surveyor and Mapper.

**Surveyor's Certification:**

I certify that the attached Waiver of Plat, and legal descriptions associated therewith, comply with all applicable requirements of Chapter 28, Subdivision Code of Miami-Dade County, Florida.
